The Disreputable History of Frankie Landau-Banks - E. Lockhart - 2009-09-17

The hilarious and razor-sharp story of how one girl went from geek to patriarchy-smashing criminal mastermind in two short years, from the #1 New York Times bestselling author of *We Were Liars* and *Genuine Fraud*. Frankie Landau-Banks at age 14: Debate Club. Her father's "bunny rabbit." A mildly geeky girl attending a highly competitive boarding school. Frankie Landau-Banks at age 15: A knockout figure. A sharp tongue. A chip on her shoulder. And a gorgeous new senior boyfriend: the supremely goofy, word-obsessed Matthew Livingston. Frankie Landau-Banks. No longer the kind of girl to take "no" for an answer. Especially when "no" means she's excluded from her boyfriend's all-male secret society. Not when her ex-boyfriend shows up in the strangest of places. Not when she knows she's smarter than any of them. When she knows Matthew's lying to her. And when there are so many, many pranks to be done. Frankie Landau-Banks, at age 16: Possibly a criminal mastermind. This is the story of how she got that way. * National Book Award finalist ** Printz Honor * --

Boneshaker - Cherie Priest - 2009-09-29

In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying several blocks of downtown Seattle and unearthing a subterranean vein of blight gas that turned anyone who breathed it into the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Out of the Fire - Andrea Contos - 2021-12-07
"Andrea Contos takes readers on a triumphant and terrifying journey, from fear and solitude to solidarity and vengeance. A complex and captivating thriller that kept me guessing at

every turn." --Elle Cosimano, author of *Finlay Donovan is Killing It* We were like fire, the four of us. Catching each other's sparks until the flames grew, spread, raged beyond our control. We'll give them back the damage they left us with, burden them with the weight of our pain. We may be temporarily broken, but we will leave them forever charred. Ashes to ashes. It wasn't the kidnapping that ruined Cass Adams's life. It was the letters that came after. The pink envelopes that appear in her car, her locker, her bedroom. Notes from the man she escaped, telling her that he's always there, always watching. And that someday, he'll be back for her. The police say there's nothing they can do, and Cass resigns herself to live in fear until she reconnects with three old friends-three girls ready to exact vengeance on those who wronged them. But the deeper Cass digs, the more shocking the truth becomes, especially when she discovers that the person who ruined her life may be the only one who can save it.

The Taking of Jemima Boone - Matthew Pearl
- 2021-10-05

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that

opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show Pose; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's Kinky Boots; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to "fix" his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter's Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

Chapter 2 Augustus is a terrible driver because he cannot feel the gas pedal under his fake leg. Hazel makes him admit the only reason he has a driver's license is because the examiner felt sorry for him. She calls it a Cancer Perk. They share their cancer stories. At Augustus' house, Hazel meets his parents. Then they go downstairs to his bedroom. Augustus tells Hazel that he used to play basketball, but before he was diagnosed he realized it was pointless, the act of constantly throwing a ball into a basket. Then he asks her what she likes to do. She tells him about her favorite book, *An Imperial Affliction*. He agrees to read it if she will read his favorite book, *The Price of Dawn*. Augustus and Hazel go into the living room to watch the movie. Hazel thinks the movie is a guy-thing. Augustus drives her home and asks her to call him later. She promises to call when she finishes the book.

In the Shadow of the Empress - Nancy Goldstone - 2021-09-21

The vibrant, sprawling saga of Empress Maria Theresa—one of the most renowned women rulers in history—and three of her extraordinary daughters, including Marie Antoinette, the doomed queen of France. Out of the thrilling and tempestuous eighteenth century comes the sweeping family saga of beautiful Maria Theresa, a sovereign of uncommon strength and vision, the only woman ever to inherit and rule the vast Habsburg Empire in her own name, and three of her remarkable daughters: lovely, talented Maria Christina, governor-general of the Austrian Netherlands; spirited Maria Carolina, the resolute queen of Naples; and the youngest, Marie Antoinette, the glamorous, tragic queen of France, and perhaps the most famous princess in history. Unfolding against an irresistible backdrop of brilliant courts from Vienna to Versailles, embracing the exotic lure of Naples and Sicily, this epic history of Maria Theresa and her daughters is a tour de force of desire, adventure, ambition, treachery, sorrow, and glory. Each of these women's lives was packed with passion and heart-stopping suspense. Maria Theresa inherited her father's thrones at the age of twenty-three and was immediately attacked on all sides by foreign powers confident that a woman would be too weak to defend herself. Maria Christina, a gifted artist who alone among her sisters succeeded in marrying for love, would face the same dangers that destroyed the monarchy in France. Resourceful Maria Carolina would usher in the golden age of Naples only to face the deadly whirlwind of Napoleon. And, finally, Marie Antoinette, the doomed queen whose stylish excesses and captivating notoriety have masked the truth about her husband and herself for two hundred and fifty years. Vividly written and deeply researched, *In the Shadow of the Empress* is the riveting story of four exceptional women who changed the course of history.

The Writing of the Gods - Edward Dolnick - 2021-10-19

The surprising and compelling story of two rival geniuses in an all-out race to decode one of the world's most famous documents—the Rosetta Stone—and their twenty-year-long battle to solve the mystery of ancient Egypt's hieroglyphs. The Rosetta Stone is one of the most famous objects in the world, attracting millions of visitors to the British museum every year, and yet most people don't really know what it is. Discovered in a pile of rubble in 1799, this slab of stone proved to be the key to unlocking a lost language that baffled scholars for centuries. Carved in ancient Egypt, the Rosetta Stone carried the same message in different languages—in Greek using Greek letters, and in Egyptian using picture-writing called hieroglyphs. Until its discovery, no one in the world knew how to read the hieroglyphs that covered every temple and text and statue in Egypt. Dominating the world for thirty centuries, ancient Egypt was the mightiest empire the

world had ever known, yet everything about it—the pyramids, mummies, the Sphinx—was shrouded in mystery. Whoever was able to decipher the Rosetta Stone, and learn how to read hieroglyphs, would solve that mystery and fling open a door that had been locked for two thousand years. Two brilliant rivals set out to win that prize. One was English, the other French, at a time when England and France were enemies and the world's two great superpowers. The *Writing of the Gods* chronicles this high-stakes intellectual race in which the winner would win glory for both himself and his nation. A riveting portrait of empires both ancient and modern, this is an unparalleled look at the culture and history of ancient Egypt and a fascinating, fast-paced story of human folly and discovery unlike any other.

The Butterfly Clues (EBK) - Kate Ellison - 2012-02-14

"Fascinating. Ellison has the art of page-turning down flat, and readers will be swept up by both the terror—and the romance." —Booklist, Starred Review "This book casts a spell over its readers."—SLJ, Starred Review "An engaging mystery starring a teen girl with obsessive-compulsive disorder. A pleasing mix of realism, tension, intrigue and romance." —Kirkus Reviews ". . . a strong, twisty thriller of a debut . . . [with] a complex and memorable heroine."—Publishers Weekly "Lo's relationship with the mysterious street boy who calls himself Flynt, layered on top of her almost supernatural loneliness and helpless compulsions, gives the novel an otherworldly quality."—VOYA "A debut worth picking up. Stark and realistic."—RTBooks Penelope (Lo) Marin has always loved to collect beautiful things. Her dad's consulting job means she's grown up moving from one rundown city to the next, and she's learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place—possessions that allow her to feel at least some semblance of home. But in the year since her brother Oren's death, Lo's hoarding has blossomed into a full-blown, potentially dangerous obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home of a recently murdered girl known only as "Sapphire"—a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can't get the murder out of her mind. As she attempts to piece together the mysterious "butterfly clues," with the unlikely help of a street artist named Flynt, Lo quickly finds herself caught up in a seedy, violent underworld much closer to home than she ever imagined—a world, she'll ultimately discover, that could hold the key to her brother's tragic death.

At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an

inveterate, high-sensation seeking masochist. And they have a few questions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a quirk in our programming that drives discipline and innovation even as it threatens to swallow us whole.

Hurts So Good - Leigh Cowart - 2021-09-14

Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an inveterate, high-sensation seeking masochist. No Guns at my Son's Funeral - Paro Anand - 2012-12-27

A compelling story of a child born into unrest'.Aftab, a young Kashmiri boy, leads a double life. By day, he is a normal, bubbly teenager whose prime concerns are cricket, family and friends. The night holds the secrets of the life of a child, one who sneaks away to confabulate with Akram and his fledgling group of tearaway terrorists. Akram, so handsome, so exciting. But what Aftab doesn't realize, so dangerous. Aftab is in complete awe of Akram and is willing to follow him to the ends of the earth. And Akram is more than willing to send him there. Though set against the militancy in Kashmir, this novel could belong anywhere in today's world where violence is just a breath away. A brave story, never told in so raw a form, this is 'reality fiction'at its most real. A book for teenagers - and for adults of all ages - who live in a world where 'cops and robbers'is not fun any more, but a deadly game.
